Tith Belleville Standard says "it doesn't no with the machine, and hence it has no fears of the party lash. It advocates only what it helieves to be for the public good, and if demagagies are not satisfied with its course it will keep moving along without halling to make apologies." We rise our hat to you, and propose a friendly "slaske," for we honor a free man and an independent thinker, It as editor be honered and independent, it is of small contemporarie to what party he may be long, since he will not wildly dismage his country or his fellowmen.

politics from them, as much as possible.

It is our candid impression that the press of Team is shead of that of all the Southern States in ability, emergence, news, denormal and typographical instances. No other Southern States in ability, emergence, No other Southern States in ability, emergence, No other Southern States in ability, emergence, No other Southern States is ability of the Southern States of the Southern Sou

in the main. Here and there one is spiteful and coarse and valgar,

Als. other professions have their regular system of chiefs the guidance of their members and the regulation of their intersounce and dualings with one acother, and it is high time the press gang had its own system of thise and enforced it. The Press association of the Brate might, with entire popularity, undertake to methodice such a system of chick and to procure its adoption, with a penalty of rebusing to exchange with any resuspaper which violated it. There is no combinate of extense for the independent in unseemly personalities by editors of besupapers, and the presting about the storing discountenanced, since it bewess the dignity and impairs the unfailness of the press. Editors should write in the ieyle in use among genilemen, that is, with context yand dignity, and unless they will do so they should be faborred from all the privileges accorded to newspapers. Men of brame can discuss questions of public policy for munits without running into indecorous personalities, se using the vocabulary of lithingager. Fleasantry, wit, bemore and entire the same with and with good humoir and countery or else passed by using each. good humor and courtery or else passed by

with the immerce area of public lambs all belonging to the State Texas aboutd have been the richest State in the Union, with overfaming coffers. She owned billions of acres of Isad. Well, it is nearly all gines and Texas is hardly a white better off than her sites. Southern States in her fisances. Her public school system is either a fraud or a humbing in many counties the public schools are taught four or five months in the year. What is the marter? What is the cause of that Isade on the State has been defeateded out of the public lands and the proceeds of sale have been wasted and systemers. No State has had made corruption, frend and rescaling in land marker, and the worst of it is partyine has covered up the tracks of these manifold frauds and servanged the guilty parties from pusichment. The Democrats have weated and expectage of the public land schaally soil, for they alone and the proceeds of the public land schaally soil, for they alone and the public land schaally soil, for they alone and the public lands. The Literatives the surveying and selling out of every acre of public land to sould missing which was the surveying and selling out of every acre of public land to sould missing which is surveying and selling out of every acre of public land to sould missing which and interesting reading matter, ever issued in San Astonio.

Cartials the speaker.
